

Renderers/EWI System Applicators

P3 Facades and Interiors is a specialist spray plaster and EWI render company. We are looking to employ experienced EWI render system applicators to join our team.

All applicants must hold a full driving licence and be able to provide references and details of experience in both EWI application and through colour renders.

The company:

- **We** are specialists in the application of external wall insulation and silicon renders, using Wetherby, Alsecco and STO.
- **We** provide both domestic and commercial solutions.
- **We** pride ourselves in providing a top quality, cost effective and efficient service.
- **We** will offer the right applicant good rates of pay and good working conditions. Price work is available.

With a busy, highly skilled workforce and a full order book we need skilled renderers who can work with minimum supervision and as part of a team.

If you would like to discuss the opportunity, please send a brief email or letter outlining your full name and experience to:

Mrs Michelle Lowndes, P3 Projection Coatings (GSY) Limited, Homeside Warehouse, Pitronnerie Road, St Peter Port, Guernsey GY1 2RH.

Email: michelle@p3.gg

P3 – PRIDE, PASSION, PERFORMANCE.
